SPACES

Booth location will be assigned at time of acceptance. Use the map included in this packet to request a specific booth. Please be aware that the numbers have changed this year. Artist may request spaces by using the booth number **(except for #69 - #82 which are assigned to Marketplace Vendors)**. Should two artists request the same space, it will be assigned to the artist with the earliest post mark on their application. The nearest available space will then be assigned if first or second choices are unavailable.

JUDGING

All entries will be reviewed by a jury. The jury reserves the right to reject any entry and to limit the number of entries in any category. It is to the artist's advantage to submit clear photos which indicate the quality of the work. Each photo should be identified. Any items that are not juried will not be permitted in the show. Any person who misrepresents his/her work will be excluded from the show. Decisions of the jury are final. In the event that an artist is not accepted due to lack of available space, his/her name will be placed on a wait list and contacted if a space does become available.
